Legal & Contracts Governance Framework – RAM

---

1. Purpose

To establish a structured legal and contractual governance framework ensuring:

- Legal compliance
- Risk mitigation
- Standardized contracting
- Protection of RAM's assets, brand, IP, and interests
- Controlled approval and execution process

This section integrates with:

- 07_Risk_Compliance
- 11_Finance_Accounting
- 13_Procurement_Commercial
- 16_Sales_Marketing_Commercialization
- 14_Human_Resources_Interface

18.1 Legal Governance Structure

Policy Statement

All contracts, legal documents, commitments, and legally binding communications must:

- Be reviewed by Legal function
- Follow approved templates
- Undergo defined approval workflow
- Be archived in the Contract Management System (CMS)
- Be linked to financial, procurement, or sales documentation

---

Legal Structure Model

Layer	Responsibility
Board	Oversight on major legal exposure
CEO	Final authority for high-value contracts
Legal Advisor / Legal Manager	Drafting, review, risk assessment
Department Heads	Business justification
Finance	Financial exposure validation
Procurement / Sales	Commercial terms validation

18.2 Contract Lifecycle Management (CLM)

SIPOC – Contract Lifecycle

Supplier	Input	Process	Output	Customer
Business Unit	Contract Request	Draft → Review → Approve → Sign → Archive	Executed Contract	RAM & Counterparty
Legal	Legal Templates	Risk Review	Legal Clearance	Business Unit
Finance	Budget Approval	Financial Validation	Financial Sign-off	Legal
Counterparty	Negotiation Comments	Negotiation	Final Signed Version	RAM

BPMN Flow (High-Level)
